Privacy Policy

Impact Health respects the privacy of its on-line users. This privacy statement explains the data processing practices of Impact Health. If you have any requests concerning your personal information or any queries with regard to this policy please email jamie.margerison@impacthealthmr.com This privacy statement covers only the Impact Health Website at www.impacthealthmr.com. Where this Website includes links to other Websites, these other sites are not covered by this statement.

Information we collect

We collect limited amounts of personal information from you through this site, for example via the user initiated enquiry and call me back form(s). Impact Health will only collect personally identifiable data, such as your name or email address, when it is voluntarily submitted to us on this Web site. Impact Health processes information provided by its users to enable it to carry out its activities in accordance with its objectives and for its administrative purposes. We will use this information to enable us to provide the service you request. We may use the information to tell you about our other products and services.

Security of your personal data

We have implemented technologies and policies with the objective of protecting your privacy from unauthorised access and improper use and will update these measures as appropriate and as new technologies become available. Impact Health Research Limited is registered as a data controller with the Information Commissioner under the Data Protection Act 1998 and our registration number is Z2226132.

Cookies

A cookie is a small text file that is stored by your browser on your computer's hard drive. Cookies are usually used either to identify your computer and to record the pages viewed, or to identify you to personalise your visit to the site, for example by providing a welcome screen or saving your user name and password. A cookie does not contain any personal information, unless you have provided such information. Impact Research's Website does not use cookies.

Log files

We use IP Addresses to administer the Web site, analyse usage and trends, and gather broad information for aggregate use. Links This Web site may include links to other sites. Impact Research is not responsible for the content or reliability of other Web sites to which we link. The inclusion of a link should not be taken as an endorsement of the site. We cannot guarantee that these links will work all of the time and we have no control over the availability of linked sites.

Changes to this privacy policy

We may change our privacy policy from time to time. We therefore ask you to check it occasionally to ensure that you are aware of the most recent version that will apply each time you access this Website.
